The Executive Director shall meet with the Community Advisory Group(s) approximately monthly, and in any event not less than 10 times per year. A Community Advisory Group may, in its discretion, and

with consent of the Executive Board President, make presentations to the Operations Board and Executive Board at regularly scheduled Board meetings. The Executive Director shall regularly report to the Executive Board and Operations Board on the information and advice offered by the Community Advisory Group(s). The Executive Director shall prepare summary minutes of each meeting of a Community Advisory Group, ensuring protection of sensitive operational information of the Agency and its Principals as well as the privacy of persons served by the Agency and Community Advisory Group members. The Executive Board and Operations Board shall consider such input from the Community Advisory Group(s) in their deliberations.

c. Principals Assembly. The Agency shall hold a Principals Assembly not less than three times per year in the first biennium of the Agency operations. Thereafter, the Principals Assembly shall be held at least one time per year. A Principals Assembly shall also be convened upon request of the legislative bodies of two or more Principals. If such Principals Assembly is convened, the legislative body of each Principal shall appoint one of its members to represent the legislative body at the Principals Assembly. The Principals Assembly shall be convened by the Executive Board for one meeting as a joint meeting with the Executive Board, at which the Executive Director shall present an annual report: (1) reviewing the activities of Agency for the previous calendar year; (2) presenting the work program and significant events for the upcoming calendar year; (3) presenting a financial management report for Agency, including in the year prior to the end of the current budget period, the proposed budget for the following budget period; and (4) reporting on workload and performance benchmarks of Agency. Also at the Principals Assembly, a representative from the Operations Board may present a report on its work in the prior calendar year, and priorities for the forthcoming year. At the Principals Assembly, the appointed legislative representatives may vote to recommend changes to the Agency's proposed budget policy, work program and performance measures program, and may provide additional comments and questions to the Executive Board and Executive Director. Voting by legislative representatives shall be on one-vote per Principal basis with a simple majority vote of Principals represented at the meeting required to approve any recommendation to be forwarded to the Executive Board. The agenda for the Principals Assembly shall be reported to the Executive Board no later than two weeks before such meeting by written report prepared by or at the direction of the Executive Director. The actions and recommendations of the Principals Assembly shall be advisory to the Executive Board.

SECTION 10. EXECUTIVE DIRECTOR.

a. Executive Director. The Executive Board shall be responsible for the appointment and termination of an Executive Director. The Executive Director shall have experience in the delivery of mental health services for persons with apparent

behavioral health issues and/or developmental disabilities, as well as administrative experience and such individual's appointment shall be on the basis of merit only. The Executive Director is an "at will" position and may be terminated from such position as Executive Director upon the Supermajority Vote of the Executive Board, with or without cause. The Executive Board shall consult with the Operations Board in the evaluation and selection of the Executive Director.

b. Duties of Executive Director. The Executive Director shall:

- i. Be responsible and report to the Executive Board and advise it from time to time on budget and other appropriate matters in order to fully implement the purposes of this Agreement.
- ii. Develop and submit to the Executive Board a proposed budget.
- iii. Consult with the Operations Board regarding Agency operations, programs and services. It is the intent of the parties that the Executive Director will seek the active participation and advice of the Operations Board in Agency operations.
- iv. Consult with staff from Public Safety Operations Serving the Principals and human services, mental health and behavioral health service providers on a regular basis to develop and improve the safety and efficacy of Field Staff activities.
- v. Administer the Agency in its day-to-day operations consistent with the policies adopted by the Executive Board.
- vi. Appoint persons to fill other staff positions, subject to confirmation by the Executive Board as the Board may require.
- vii. Report to the Executive Board on the Agency's effectiveness in meeting Executive Board adopted metrics and other performance targets.
- viii. Prepare and submit to the Executive Board and Principals Assembly an annual report as described in Section 9.c.

The Executive Director shall actively and continuously consider and evaluate all means and opportunities to enhance Agency services and programs. The Executive Director shall also gather and maintain data relevant to Agency services and best practices with respect to mobile crisis response for persons with behavioral health issues and/or developmental disabilities. The Executive Director shall present recommendations to the Operations Board and Executive Board from time to time. The Executive Director shall, at least quarterly, submit budget and operation performance reports to the Executive Board in a form acceptable to the Executive Board. The Executive Board shall provide direction to Executive Director as to which operational policies must be approved by the Executive Board and which may be implemented administratively.

SECTION 11. PERSONNEL POLICY.

The Executive Director may, as such individual deems necessary from time to time, submit to the Executive Board a proposed Agency personnel policy for the Executive Board's approval, rejection or modification. All modifications or revisions to personnel policies must have the final approval of the Executive Board. No personnel policies shall be required unless the Agency hires staff directly; any personnel policies applicable to loaned staff shall be consistent with the policies of the staff's principal employer.

SECTION 12. BUDGET, PAYMENT OF BUDGET SHARES, DELINQUENCIES, RESERVE FUNDS.

a. Budget Fiscal Year. Agency budget fiscal year shall be either the calendar year, or two calendar years as the Executive Board may determine. The "budget period" corresponds to the fiscal year or years so determined by the Board. The initial budget period will be the period from the date the Agency is legally established through the end of calendar year 2024.

b. Budget Approval. The Executive Director shall develop the proposed operating budget for the next budget period in consultation with the Operations Board. The Executive Director shall present a proposed budget to the Executive Board by no later than June 30 prior to the commencement of the budget period, together with any Operations Board's recommendations with respect to the proposed budget. The Executive Board shall review and revise the budget as it deems appropriate; conduct a public hearing on the draft budget; approve a draft budget and forward same to Principals, all no later than August 31. The budget shall be adopted by Supermajority Vote of the Executive Board effective no later than December 15 prior to commencement of the budget period, following confirmation of the approval by the legislative authorities of Principals of each respective shares of the budget, as evidenced by resolution or other appropriate method received by Agency no later than December 1 preceding the commencement of the budget period. Failure of a Principal to approve its share of the budget before the commencement of the budget period shall result in the Agency no longer responding to Community Members in Crisis within the jurisdictional boundaries of the Principal, effective as of the first day of the budget period for which the budget was not approved.

c. Budget Modifications. Modifications to the budget must be approved by a Supermajority Vote of the Executive Board as necessary from time to time after each Principal has approved its own budget in order to conform the Agency budget to the budgets adopted by the Principals and account for other operating changes.

d. Cost Allocation and Budget Share. The Agency budget for Agency costs shall, in the 2023-2024 budget period, be allocated as shown on Exhibit B. Thereafter,

Agency costs, net of revenues from grants or other sources, shall be allocated between Principals in each budget period (as determined by the Executive Board) on a per capita basis, based on the April 1 Population of Cities, Towns and Counties Used for Allocation of Selected State Revenues State of Washington published by the Washington State Office of Financial Management Population Estimate (or equivalent population database) in the year prior to the commencement of the budget period. Each Principals' cost allocation for a budget period is also referred to as the Principal's Budget Share.

e. Payment of Agency Charges. Each Principal shall pay its Budget Share in equal installments no later than January 15, April 15, July 15 and October 15 of each year, or on such schedule as may otherwise be approved by the Executive Board.

f. Delinquencies. Payments not received when due shall bear interest at the rate of 12% per annum, or such lower maximum allowable rate as provided by law and approved by the Executive Board, until paid. If a payment is more than three months delinquent, the delinquent Principal shall not be entitled to vote on any Executive Board matter until all delinquent payments together with accrued interest have been paid. A Principal who is six months delinquent in payment shall not have access to Agency services until all payments including accrued interest have been made. A Principal who is one year delinquent is deemed to have withdrawn as a Principal and to have withdrawn from the Agreement. A delinquent Principal (whose has not yet been determined to have withdrawn from this Agreement) in attendance at a meeting shall be included for purposes of establishing a quorum. Withdrawal does not extinguish the obligation to pay Agency for its Budget Share(s) during the time it was a party to this Agreement, together with interest.

g. Reserve Funds. The Executive Board may establish and fund reserve funds to support operations of the Agency, at levels the Executive Board determines to be appropriate.

SECTION 13. USE OF AGENCY FUNDS.

a. Use Guidelines. Consistent with any use imposed on particular funds by statute, ordinance, contract, this Agreement or any bylaws adopted by Agency, Agency may use any available funds for any purpose authorized by this Agreement in connection with an authorized expenditure.

b. Eligibility for King County Mental Illness and Drug Dependency (MIDD) Funds. The Principals place a high priority on securing grants of MIDD funds and other grants to significantly offset funds Principals would otherwise need to contribute to pay for operation and management of the Agency. The Executive Board and Executive Director shall take all steps reasonably necessary to ensure the Agency remains eligible for receipt of MIDD grant funds.

SECTION 14. ADDITION OF NEW PRINCIPALS

a. Additional Principals. A governmental entity meeting the qualifications of a Principal in Section 3.t and this Section may be admitted as an Agency Principal upon Supermajority Vote of the Executive Board as required under Section 7.g. In addition to meeting the conditions of Section 3.t, a city seeking to become a Principal must:

- i. Have a coterminous jurisdictional boundary with at least one then-current Principal;
- ii. Accept the terms of this Agreement, any Agency Bylaws, and adopted policies and procedures; and
- iii. Not have held Principal status with the Agency within the five years immediately preceding the date of application to become a Principal.

b. Other Conditions for Additional Principals. As a condition of becoming a Principal, the Executive Board may require payment or other contributions or actions by the new Principal as the Executive Board may deem appropriate and may set such start date for service as it deems appropriate, it being the intention of this provision that the addition of new Principals shall not cause pre-existing Principals to incur additional cost or to experience any material reduction in services from the Agency.

c. Addition of Non-City Principals. A non-city governmental entity otherwise meeting the requirements of Section 14.a. may be admitted as an Agency Principal on the terms and conditions acceptable to the parties and their respective legislative authorities.

d. No Additional Principals in first year of Agency Operations. Notwithstanding the foregoing terms of this Section 14, no Principals in addition to the Formation Principals shall be admitted within the first year of the Agency's operations.

SECTION 15. FISCAL AGENT, CONTRACT AND SUPPORT SERVICES.

a. Agency Staffing. Initial staffing and operations (including Fiscal Agent duties) are expected to be transferred to the Agency from the RADAR Program established by the 2019 Agreement, and the applicable Member jurisdictions from and after the Effective Date of this Agreement. All staff serving the Agency (including the Executive Director) may be hired directly by the Agency or may be provided through an agreement with a Principal or other agency to provide such staff and support services. All such staffing agreements shall be approved by Simple Majority Vote of the Executive Board and shall provide for the full compensation for the services of such employees. It is contemplated that the Fiscal Agent shall also be the agency loaning staff to Agency.

From and after the Effective Date of this Agreement, the parties agree that the Executive Director and other Agency staff shall, unless otherwise determined by the

Executive Board, be loaned staff who are employees of the City of Kirkland. The terms of such loan to the Agency shall be provided by separate agreement between the Agency and the City of Kirkland. The Executive Board may, from time to time, contract with one or more other Principals or agencies for loaned staff and/or contract and support services as provided herein. All such contracts shall be approved by simple Majority Vote of the Executive Board.

b. Fiscal Agent. Unless otherwise determined by the Executive Board, the Agency shall have a lead administering agency, designated by the Executive Board, to carry out administrative functions and act as the Fiscal Agent for the Agency. The Fiscal Agent may be the Agency itself or may be a Principal or other agency pursuant to an agreement between the Agency and the Fiscal Agent. All such Fiscal Agent agreements shall be approved by Simple Majority Vote of the Executive Board, and shall provide for the full compensation for such services. The Fiscal Agent, if any, will have all power and authority necessary or appropriate to deposit, manage, invest and expend Agency funds in furtherance of the purposes of this Agreement. Subject to such additional requirements as may be set forth by the Executive Board, the Fiscal Agent for Agency shall as necessary contract with appropriate local governments or other third parties for staff, supplies and services. The Fiscal Agent may cease serving as the Fiscal Agent upon six months written notice to the Executive Board.

From and after the Effective Date of this Agreement, the parties agree that the initial Fiscal Agent shall be the City of Kirkland. The terms for the Fiscal Agent shall be provided by separate agreement between the Agency and the City of Kirkland. Such agreement shall be approved by Simple Majority Vote of the Executive Board and may include terms relating to providing financial, information technology, records management, legal, office space, fleet vehicles and vehicle maintenance, uniforms, radios, and other services, facilities and materials to Agency. The Executive Board may, from time to time, contract with one or more other Principals or agencies for successor Fiscal Agents and support services as provided herein. All such contracts shall be approved by simple Majority Vote of the Executive Board.

c. General Contract and Support Services. The Executive Board or the Executive Director with advice of the Executive Board shall as necessary contract with appropriate local governments or other third parties for the use of space for its operations, and for staff and auxiliary services including, but not limited to, records, payroll, accounting, legal, purchasing, information technology, and data processing.

SECTION 16. RETAINED POWERS OF PRINCIPALS.

Each Principal shall retain the responsibility and authority for its operational departments and for such equipment and services as are required at its place of operation to communicate with Agency staff operations. Interconnecting equipment and services will

not be included in Agency's budget and operational program, except as the Executive Board may determine.

SECTION 17. INVENTORY AND PROPERTY.

a. Ownership of Property. Real and personal property purchased or otherwise acquired pursuant to or in connection with this Agreement shall be owned in the name of the Agency. The Agency may dispose of and otherwise convey its property as provided by law and policies of the Agency.

b. Equipment and Furnishings. Equipment and furnishings for Agency's operation shall be acquired as provided by law. If any Principal provides equipment or furnishings for Agency's use, title to the same shall rest with the respective local entity unless that equipment or furnishing is acquired by Agency.

c. Annual Inventory. The Executive Director shall maintain and annually update an inventory of equipment and furnishings owned by, leased or temporarily assigned to Agency, and the values thereof.

d. Return of Loaned Property. In the event of dissolution or termination of Agency, assigned or loaned items shall be returned to the lending entity and all other items or funds derived from the sale thereof shall be distributed to Principals as described in Section 20.

SECTION 18. WITHDRAWAL BY OR TERMINATION OF PRINCIPAL.

a. Except as provided in Section 2, any Principal may withdraw its membership and terminate its participation in this Agreement by providing written notice and serving that notice on the Agency Executive Board on or before December 31 in any year. After providing appropriate notice as provided in this Section, that Principal's membership withdrawal shall become effective on the last day of the calendar year following delivery and service of appropriate notice to all other Principals.

b. A Principal who withdraws or is terminated (by being deemed withdrawn for nonpayment pursuant to Section 12(f)) shall hold the remaining Principals harmless against any resultant increased capital and/or operating costs allocated to them, for a project approved by the Executive Board prior to notice of withdrawal or termination.

c. Time is of the essence in giving notice of termination and/or withdrawal.

d. The termination and/or withdrawal of a Principal shall not discharge or relieve any Principal of its obligations to Agency.

e. An Executive Board Member representing a Principal that (1) has given notice of withdrawal, or (2) has been terminated by vote of the Executive Board which termination is effective at a future date, shall be authorized to cast votes at the Executive

Board only on budget items to be implemented prior to the withdrawal or termination date.

SECTION 19. AMENDMENT OF AGREEMENT.

This Agreement may be amended upon approval of a Supermajority Vote of the Executive Board except that any amendment affecting the following shall require consent of the legislative authorities of all Principals:

- a. Expansion of the scope of services provided by the Agency beyond the scope of expansion authorized in Section 5.g.
- b. The terms and conditions of membership on the Executive Board.
- c. Voting rights of Executive Board Members.
- d. Powers of the Executive Board.
- e. Principal contribution responsibilities inconsistent with Section 12.d.
- f. Hold harmless and indemnification requirements.
- g. Provisions regarding duration, termination or withdrawal.
- h. Adding a non-city Principal pursuant to Section 14.

This Section shall not be construed to require legislative authority consent for the addition of a new Principal.

No Party shall transfer or assign a portion or all of its responsibilities or rights under this Agreement, except with the prior authorization of the Executive Board.

SECTION 20. TERMINATION OF AGREEMENT; DISSOLUTION OF AGENCY.

a. Generally. This Agreement may be terminated upon the approval of a Supermajority Vote of the Executive Board. The termination shall be by direction of the Executive Board to wind up business by a date specified by the Executive Board, which date shall be at least one year following the date of the vote to terminate. Upon the final termination date, this Agreement shall be fully terminated.

b. Distribution of Property on Termination of Agreement. Upon termination of this Agreement, all property acquired during the life of the Agreement remaining in ownership of the Agency shall be disposed of in the following manner:

- i. Real or Personal Property. All real or personal property purchased pursuant to this Agreement and all unexpended funds or reserve funds, net of all outstanding Agency liabilities, shall be distributed to those Principals still participating in the Agency on the day prior to the termination date and shall be apportioned between Principals

based on the ratio that the average of each Principal's contributions to the operating budget over the preceding six years bears to the total of all then remaining Principals' operating budget contributions paid during such six-year period. The Executive Board shall have the discretion to allocate the real or personal property and funds as it deems appropriate, and the apportionment, determined consistent with the preceding sentence, need not be exact.

- ii. Loaned Property. In the event of dissolution or termination of the Agency, assigned or loaned assets shall be returned to the lending entity.
- iii. Allocation of Liabilities. In the event outstanding liabilities of the Agency exceed the value of personal and real property and funds on hand, all Principals shall contribute to retirement of those liabilities in the same manner as which they would share in the distribution of properties and funds per subsection "i" above.

c. Notwithstanding the foregoing, in the event of withdrawal or termination of Principals such that not more than three Principals remain party to this Agreement, then the Agreement shall terminate one year from the first date that only three Principals remain.

d. Notwithstanding the foregoing, the Agreement may not be terminated if to do so would abrogate or otherwise impair any outstanding obligations of the Agency, unless provision is made for those obligations.

SECTION 21. MERGER, CONSOLIDATION OR SALE OF ALL OR SUBSTANTIALLY ALL ASSETS.

Approval of the merger or consolidation of the Agency with another entity, or the sale of all or substantially all assets of the Agency, shall require a Supermajority Vote.

SECTION 22. DISPUTE RESOLUTION.

a. Whenever any dispute arises between Principals or between the Principals and the Agency (referred to collectively in this Section as the "parties") under this Agreement which is not resolved by routine meetings or communications, the parties agree to seek resolution of such dispute by the process described in this Section.

b. The parties shall seek in good faith to resolve any such dispute or concern by meeting, as soon as feasible. The meeting shall include the President of the Executive Board, the Executive Director, and a representative(s) of the Principal(s), if a Principal(s) is involved in the dispute.

c. If the parties do not come to an agreement on the dispute or concern, any party may request mediation through a process to be mutually agreed to in good faith between the parties within 30 days. The mediator(s) shall be mutually agreed upon and shall be skilled in the legal and business aspects of the subject matter of this Agreement. The parties shall share equally the costs of mediation and assume their own costs.

SECTION 23. INSURANCE.

a. The Executive Board, the Executive Director and the Agency shall take such steps as are reasonably practicable to minimize the liability of the Principals, including but not limited to the utilization of sound business practices. The Executive Board shall determine which, if any, insurance policies may be reasonably practicably acquired to cover the operations of the Agency and the activities of the parties pursuant to this Agreement (which may include Directors and Officers, Commercial General Liability, Auto, Workers' Compensation, Stop Gap/ Employer's Liability, errors and omissions, crime/ fidelity insurance, CyberRisk), and shall direct the acquisition of same.

b. No Field Staff shall be deployed unless insurance approved by the Executive Board is in place covering their actions and insuring both Field Staff, Agency and the Principals from liability resulting from Field Staff actions. The cost of such insurance shall be borne by the Agency.

c. To the extent practicable, all Principals shall be named as additional insureds (or an equivalent) on any policy held by the Agency, including pool insurance.

SECTION 24. INDEMNIFICATION AND HOLD HARMLESS.

a. Provisions regarding the "Fiscal Agent" in this Section shall apply when a Principal is acting as Fiscal Agent. In the event the Fiscal Agent appointed by the Executive Board is not a Principal or government agency, the agreement between the Agency and the Fiscal Agent shall establish the applicable indemnification and hold harmless provisions.

b. Each Principal shall indemnify and hold other Principals, their officers, officials, employees, agents and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees and costs ("Damages"), arising out of that Principal's acts or omissions in connection with the performance of its obligations under this Agreement, except to the extent the injuries or damages are caused in whole or in part by another Principal.

c. Each Principal shall indemnify and hold the Agency and its officers, officials, employees and volunteers harmless from any and all Damages arising out of that Principal's acts or omissions in connection with the performance of its obligations

under this Agreement, except to the extent the injuries and damages are caused by the Agency.

d. As provided in its Articles of Incorporation, the Agency shall indemnify and hold each Principal its officers, officials, employees and volunteers harmless from any and all Damages arising out of the Agency's acts or omissions in connection with the performance of its obligations under this Agreement, except to the extent the injuries and damages are caused by any Principal.

e. The Agency shall indemnify and hold the Fiscal Agent harmless from any and all Damages arising out of that Principal's or the Agency's acts or omissions in connection with the performance of their respective obligations under this Agreement, except to the extent the injuries and damages are caused by the Fiscal Agent.

f. Each Principal shall indemnify and hold the Fiscal Agent harmless from any and all Damages arising out of that Principal's acts or omissions in connection with the performance of its obligations under this Agreement, except to the extent the injuries and damages are caused by the Fiscal Agent.

g. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of a party hereto and the Agency, its officers, officials, employees, and volunteers, the party's liability hereunder shall be only to the extent of the party's negligence. It is further specifically and expressly understood that the indemnification provided in this Section constitutes each party's waiver of immunity under Industrial Insurance Title 51 RCW, solely for the purpose of this indemnification. This waiver has been mutually negotiated by the parties. The provisions of this Section shall survive the expiration or termination of this Agreement.

h. Each party shall give the other parties proper notice as provided in Section 26, of any claim or suit coming within the purview of these indemnities. Termination of this Agreement, a Principal's withdrawal from the Agency (collectively for purposes of this subparagraph "Termination"), shall not affect the continuing obligations of each of the parties as indemnitors hereunder with respect to those indemnities and which shall have occurred prior to such Termination.

SECTION 25. INTERGOVERNMENTAL COOPERATION.

The Agency shall cooperate with local, state and federal governmental agencies in order to maximize the utilization of any grant funds for equipment and operations and to enhance the effectiveness of the Agency's operations and minimize costs of service delivery.

SECTION 26. NOTICE.

SECTION 30. SEVERABILITY.

The invalidity or any clause, sentence, paragraph, subdivision, section or portion of this agreement shall not affect the validity of the remainder of the Agreement.

SECTION 31. RATIFICATION.

All prior acts taken by the Principals consistent with this Agreement but prior to its Effective Date are hereby ratified and confirmed.

SECTION 32. COMPLIANCE WITH LAWS; NONDISCRIMINATION.

During the term of this Agreement, the Agency and the parties hereto shall comply with all federal, state, and local laws as necessary to carry out the terms of this Agreement. Further, to the extent that any of the services provided by the Agency under this Agreement constitute the retention, security, confidentiality or other handling of certain “protected” health information under the federal Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and its implementing regulations thereunder by the U.S. Department of Health and Human Services and other applicable laws including chapter 70.02 RCW, the Washington Uniform Health Care Information Act, as amended, the parties agree to comply with such laws and execute documents as necessary to implement the requirements under such laws.

No other agreement, written or oral, expressed or implied, exists between the Parties with respect to the subject matter of this Agreement, and the Parties declare and represent that no promise, inducement, or other agreement not expressly contained in this Agreement has been made conferring any benefit upon them.

SECTION 34. TERMINATION OF 2019 AGREEMENT.

This Agreement is intended to replace the existing 2019 Agreement among the Formation Principals with respect to the RADAR Program. From and after the Effective Date of this Agreement, the Formation Principals agree that the 2019 Agreement shall be
