### **LAC Business:**

1. Introducing the committee's work to Eileen and Judette. Reads Program, liaison with KCLS, promoting KCLS LFP programs, keeping a presence in front of the city council to make sure they all know how vital the library is for the mall and the community.
2. The committee bylaws. Some LFP groups are commissions, some are committees. Commissions have a two-year tenure; committees are not limited to that. The committee members would like to confirm that with the city.

Does the scope of our mission include bringing programming ideas to the LFP library?

Discussion of terms, appointments, and tenure of members. Need to contact the city to clarify and request a change in terms to September if possible.

3. Election of Officers: Alexa Johnson elected as Chair, Eloise Boyle elected as Vice-Chair and Ann Gigli elected as Secretary.
