READS Recap:

The READS program featuring Clarie Dedere, author of Monsters: A Fan's Dilemma, was held on July 30th, 2024 in The Commons. The author provided an overview of her book and took questions from the audience. Ms. Dederer is an engaging presenter and was well responded to by the audience. There was very good attendance with only a slight spill over to the tables and chairs normally outside of the staged seating.

LAC Business :

- New Committee Member: Approved by the mayor and forwarded to the committee, Lolly Smith will be joining the committee immediately.
- Committee By Laws: Terms currently begin when the mayor appoints a new committee member - the city website does not list a specific start date for new member terms. All members' terms end in February. We propose that committee members' terms end in

September which is better matches the cycle of work for the summer READS program.
Alexa to follow up with the Mayor's office.

Public Comment:

Sarah Phillips and Mimi Bertram, members of the Octavia Butler Planning Group requested that one or more works by Octavia Butler be considered for next year's READS program. The group is working to encourage more recognition of this important LFP citizen and author through city proclamation, oral history, and trail walk. Sarah and Mimi invited committee members to join their next meeting October 22, 2024 9:30 a.m. - Third Place Commons.
