### **LAC Business :**

1. Engaging with the Mayor's office: progress and status on various issues:
  - Jessica in the mayor's office has updated our website which now includes Lolly.
  - We have an open position which has been posted.
  - Alexa will look at application to make sure it is appropriate and encourages applications and will consult with Mayor's office as needed.
  - Alexa has contacted the Mayor's Office to get clarification from the Mayor regarding term limits. Terms currently begin when the mayor appoints a new committee member - the city website does not list a specific start date for new member terms. All members' terms end in February. We will propose that committee members' terms end in September.
2. Octavia Butler Committee Request  
The LAC supports the Octavia Butler committee for community engagement with her books and her Lake Forest Park connection.
3. Banned Book Week October 5 - 11, 2025 The LAC is interested in expanding awareness of this national event in the City of Lake Forest Park through communication with the city council. KCLS frames this as a celebration the freedom to read. The committee will lay the ground work for a presentation to the city council and potential city proclamation of support.

Alexa will work with the Mayor's office to understand level of interest, scheduling timeline and other work needed.

**2024-2025 meeting dates:**

Wednesday March 26, 2025 pm, 7:00 pm  
Wednesday June 25, 2025, 7:00 pm
