

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <https://regence.com> or call 1 (800) 752-9985. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [healthcare.gov/sbc-glossary](http://healthcare.gov/sbc-glossary) or call 1 (800) 752-9985 to request a copy.

Important Questions	Answers	Why This Matters:
<u>What is the overall deductible?</u>	\$1,500 individual (single coverage) / \$3,000 family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
<u>Are there services covered before you meet your deductible?</u>	Yes. Certain <u>preventive care</u> and those services listed below as " <u>deductible</u> does not apply" or as "No charge."	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="http://healthcare.gov/coverage/preventive-care-benefits/">healthcare.gov/coverage/preventive-care-benefits/</a> .
<u>Are there other deductibles for specific services?</u>	No.	You don't have to meet <u>deductibles</u> for specific services.
<u>What is the out-of-pocket limit for this plan?</u>	\$5,000 individual (single coverage) / \$10,000 family* per calendar year. *An individual on family coverage will not have their <u>out-of-pocket limit</u> exceed \$5,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<u>What is not included in the out-of-pocket limit?</u>	Premiums, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<u>Will you pay less if you use a network provider?</u>	Yes. See <a href="https://regence.com/go/WW/Preferred">https://regence.com/go/WW/Preferred</a> or call 1 (800) 752-9985 for a list of <u>network providers</u> .	You pay the least if you use a <u>provider</u> in the preferred <u>network</u> . You pay more if you use a <u>provider</u> in the participating <u>network</u> . You will pay the most if you use a <u>nonparticipating provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use a <u>nonparticipating provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<u>Do you need a referral to see a specialist?</u>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
