

How To: Search Permit Status

1. Access the Permit Portal website at
<https://lakeforestparkwa.portal.iworq.net/portalhome/lakeforestparkwa>
2. Click on the module you are requesting (Building & Public Works, Planning, or Past Permits)
 - a. If the permit was applied for **before** July 1, 2025 please use the Past Permits module. The Building & Public Works Permits and the Planning Permits will **not** work for any permits applied for before July 1, 2025

Search Existing Permits

Use the following links to search for existing permits

- For questions call: 206-368-5440

BUILDING & PUBLIC WORKS PERMITS

PLANNING PERMITS

PAST PERMITS

Use this link for any building permits submitted after 7/1/2025.Use this link for any planning permits submitted after 7/1/2025.

Use this link for any permits submitted before 7/1/2025.

3. Select from the dropdown menu for how you would like to search for your permit.
 - a. Enter the Permit # and click search.
 - b. You can also search by Permit Date, Parcel Address, Primary Contractor, or *LFP Permit Number* (the LFP Permit Number option is **only for permits applied for before 07/01/2025**)
 - c. If your permit was applied for **before 07/01/2025**, please use the past permits module and search with the LFP permit number.
