SEWER CAPPING (during construction)	$ 300.00
TECHNOLOGY FEE (**10%** Development Review Techology Surcharge per Resolution 1866)	$ 30.00
TOTAL FEES DUE	$

Sensitive Area Permits pertaining to property designated as having a Sensitive Area are subject to review and approval by the City Planner (costs to be paid by Property Owner, Developer or Requesting Agency). Studies pertaining to Sensitive Area(s) may be required, any costs will be the responsibility of the property owner, developer, or requesting agency.
Right of Way: If work will take place in the public right of way, a Right of Way permit will be required.
Sewer Permit As-Built Requirements: Indicate lot and outside house dimensions, distances of all buildings from property lines and use of buildings, location and length of sewer pipes, and any "Y" clean-outs in the lines as well as inspection fees.
King County Capacity Charge: All new sewer connections will incur King County's Sewer Treatment Capacity Charge. If you have not yet read King County's brochure regarding this charge, please request a brochure at the time of permitting.

AS BUILTS ARE REQUIRED PRIOR TO FINAL INSPECTION

I hereby sign, under penalty of perjury, that I have read and examined this application and know the same to be true and correct:
