

Boundary Line Adjustment

This intake checklist identifies minimum application elements necessary for the City of Lake Forest Park to accept the application for further processing. Should any of the following minimum items not be provided, the application will not be accepted at the counter. The City will take up to 28 days to make a completeness determination.

Applicant: Check each box under the Applicant heading on this checklist to confirm items are included in your submittal. If you think an item is not applicable to your project, you must contact the appropriate department prior to your intake appointment to have the items initialed as not required.

An intake appointment will be required to submit this application.

Boundary Line Adjustment

Map Format

- Size 18" x 24"
- Format shall be per WAC332-130-050, Survey Map Requirements.

The Mapping Requirements:

- Name, business address and business phone number of licensed land surveyor (company) responsible for preparing the map.
- A title block in the lower right corner on all sheets containing the following:
 - Title "RECORD OF SURVEY/BOUNDARY LINE ADJUSTMENT FOR (owners last names "Brown/Smith)
 - City of Lake Forest Park w/logo
 - City case number (this should be added before final approval and recording and will be given to the applicant after the initial review)
 - Sheet numbers and total number of sheets
 - Date prepared

First sheet information

- Recorders Certificate (lower left corner first sheet only)
- Name and address of the owner(s) of the parcels
- Certification of the surveyor and the date of the survey
- Certification of consent by the parcel owners
- All beneficiaries of the deeds of trust must be given a sign-off on the face of the map
- Notary certificates
- Approval statements for city departments. (Director of Planning)
- Land surveyor seal w/signature. (all sheets and in permanent black ink)
- The acreage, or square footage before and after for each parcel
- Vicinity map
- Tax parcel numbers
- Zoning designation of the property(s)
- The section, township and range or government lot
- Description of the parcels before adjustment.

The Mapping

- Scale w/scale bar
- North arrow
- Legend
- Existing boundary lines to be changed in dashed lines
- Proposed boundary lines marked in heavy solid lines
- Location of all existing structures and/or easements on the lots
- Location of any critical areas and their buffers (wetlands, geologically hazardous areas, streams, frequently flooded areas, etc.).
- Show set mon's at all new lot line angle points and intersections
- Show the location and identification of any visible physical appurtenances (fences, buildings etc)
- All dimensions to hundredths of a foot

The following may be required before recording:

A quitclaim deed of just that parcel being exchanged in a format that can be recorded. It must be signed and sealed by a PLS.

NOTE: Other items may be required to be submitted for a Boundary Line Adjustment Application to be consistent with the Lake Forest Park Municipal Code.
